THURSDAY, MARCH 16, 1944

PART IVA—Bills introduced in the Bengal Legislative Assembly; Reports of Select Committees presented or to be presented to that Assembly; and Bills published before introduction in that Assembly.

BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT.

NOTIFICATION.

No. 538L.A.—6th March, 1944.—The following report of the Select Committee on the Bengal Supervision of Orphanage and Widows' Home Bill, 1940, with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

Report of the Select Committee on the Bengal Supervision of Orphanage and Widows' Home Bill, 1940.

We, the members of the Select Committee to which the Bengal Supervision of Orphanage and Widows' Home Bill, 1940, was referred by a motion carried in the Bengal Legislative Assembly on the 13th September, 1940, have the honour to submit this our final report with the Bill embodying amendments recommended by us annexed. Matters recommended by us to be omitted have been printed in italics and enclosed in square brackets and all new matters recommended to be inserted have been underlined.

2. The Bill was published in the *Calcutta Gazette*, dated the 26th September, 1940.

3. As the Committee could not meet before the 30th November, 1940, the date appointed in this behalf by the Assembly, at the meeting of the Assembly held on the 4th December, 1940, at the instance of the member-in-charge of the Bill, the time for submission of the report of the Committee was extended till the 31st January, 1941, and again at the meeting of the Assembly held on the 4th April, 1941, it was further extended till the 30th June, 1941, by the House on a question put from the Chair. The Committee met for the first time on the 28th May, 1941, and at that meeting the Committee decided to circulate the Bill to all municipalities and all associations recognised by Government including some of the well-known Maternity and Child Welfare Homes for the purpose of eliciting their opinion on the Bill. Opinions received by the 15th June, 1941, the date fixed by the Committee to be the latest time for receipt of opinions were printed and circulated to the members of the Select Committee for their consideration. But as the deliberations could not be concluded before the 30th June, 1941, up to which the time for submission of the final report was extended by the Assembly, the Chairman of the Committee presented an *ad interim* report to the House on the 20th August, 1941, and on a question put from the Chair the time for submission of the final report was again extended till the 30th November, 1941. This time was further extended till the 30th September, 1942, by orders of Mr. Deputy Speaker during recess. Then again at the instance of the member-in-charge the time was further extended till 31st December, 1942, by the Assembly on a question put from the Chair on the 23rd September, 1942. This date, too, having expired without a meeting of the Committee being held, the time for submission of the final report was further extended till the 31st January, 1944, or till the commencement of the next session of the Assembly whichever is earlier by order of the Hon'ble Speaker during recess. The Select Committee met on the 24th January, 1944, and again on the 29th January, 1944, when they concluded their deliberations and came to a final decision on the provisions of the Bill.

4. The Bill has been substantially altered by our recommendation and we consider that it requires republication.

5. The changes made in the Bill, apart from mere formal and technical alterations, are as follows:—

Title.—We have recommended alterations in the title of the Bill by deleting unnecessary words.

Long Title and Preamble.—This is only a drafting change.

Clause 1.—This is only a drafting change.

Clause 2.—Sub-clauses (1) and (5).—We have considered it desirable to insert definitions of "Calcutta" and "Prescribed" in accordance with our subsequent recommendations.

Sub-clauses (2), (3), (4), (5) and (6).—We have redrafted the definitions of "marriage bureau", "orphan", "orphanage", "widow" and "widows' home" to make them more precise.

We have omitted the definitions of "Licence", "Person", "Regulation", "Registered" and "Society" as we consider these unnecessary.

Clause 3.—We have redrafted this clause and have added a proviso to enable the existing institutions to obtain licence within a specified period.

Clause 4.—This clause has been recast and made more comprehensive. The Commissioner of Police has been included as the authority competent to issue licences in Calcutta. We gave our careful consideration to the provision regarding sufficiency of funds at the disposal of the society to run the institution. But we did not consider it expedient to put such restrictions as some charitable institutions may not have sufficient funds at the outset. The other changes are of a drafting nature.

Clause 5.—In redrafting the clause we have omitted the provision that a licence may be cancelled for "any other sufficient cause" as we do not consider it expedient or desirable to give such wide powers.

Clause 6.—This clause has been recast and expanded. The provision for the inspection of the institutions has been retained in this clause. The rule-making powers of the Provincial Government have been provided in a new clause.

Clause 7.—This clause has been omitted as the provisions of this clause has been incorporated in the proviso to clause 3.

Clause 8.—In expanding and redrafting this clause we have considered the necessity of imposing a daily fine for a continuing offence.

New clauses 9 and 10.—We consider it necessary that these provisions should be included.

New clause 11.—We consider it desirable to add a new clause giving the Provincial Government powers to make rules.

A

It is hereby enacted as follows:—

1. This Act may be called the Bengal Wakf (Amendment) Act, 1940.

2. After section 18 of the Bengal Wakf Act, 1934, the following proviso shall be added:—

"provided that it shall not exceed Rs. 1,000 per mensem."

3. After section 23 of the Bengal Wakf Act, 1934, the following proviso shall be added:—

"provided that the salary of any such officer shall not exceed Rs. 500 per mensem."

4. After section 41 of the Bengal Wakf Act, 1934, the following section shall be added:—

5. After section 44 of the Bengal Wakf Act, 1934, the following section shall be inserted:—

"44A. The Board of Wakfs shall keep an up-to-date register of all the mosques in Bengal showing the following particulars:—

(*a*) Whether Panjaganah or Jumah.

(*b*) Average attendance at Panjaganah and Jumah.

(*c*) Approximate area or number of houses or adult inhabitants served.

(*d*) Whether any muktab, madrasah or library attached to it or not.

(*e*) Distance from nearest mosque or mosques.

(*f*) How and by whom maintained?

(*g*) Any other particulars that the Board may deem necessary."

6. Sub-section (*1*) with the proviso thereof of section 59 of the Bengal Wakf Act, 1934, shall be repealed and the following shall be substituted in the place thereof :—

"For covering the expenditure of the headquarters 10 per cent. of the obligatory alms (Sadaqa-i-Wajibah) locally collected shall be remitted to the Board of Wakfs."

7. After sub-section (*5*) of section 59 of the Bengal Wakf Act, 1934, the following sub-section shall be added :—

"(*6*) The Board of Wakfs shall collect and distribute locally through the agency of the local Mosque Committees, the Zakats, Fitras, and the hides of Kurbani or the prices thereof strictly in accordance with the Shariat Law: Provided that under exceptional circumstances it might be sent outside the area of collection."

8. In place of "Wakf Fund" in sub-section (*1*) of section 61 and all the succeeding sections of the Bengal Wakf Act, 1934, Baitulmal Fund shall be substituted.

9. After sub-section (*2*) of section 62 of the Bengal Wakf Act, 1934, the following shall be added :—

"And for the economic, educational and religious uplift of the Muslim Community."

STATEMENT OF OBJECTS AND REASONS.

Doubts have been raised by some ulama regarding the legality and validity according to the strict Shariat Law, of taxing the Wakf Estates against the intention and interest of the original founders (Wakifs) under the Bengal Wakf Act, 1934, but at the same time for the proper management of the Wakf Estates some sort of supervision and control over the Mutwallis is necessary on account of their mismanagement and misappropriation in some cases and funds are required for that purpose. These funds may be obtained from some portions of the obligatory alms (Sadaqat-i-Wajibah) which are at present much misused and as the Provincial Legislature is not competent to tax the money income of the Mutwalli's share of the Wakf Estates, the Federal Government should be approached to delegate to the Provincial Legislature the authority to tax 10 per cent. of this net income of the Mutwallis out of their shares of the Wakf Estates ; and pending that the Local Government should make up the deficiency, if any.

Furthermore, as Wakfs, Mosques, Zakats, Fitras, the prices of the hides of Kurbani and all other obligatory alms (Sadaqa-i-Wajibah) are akin matters appertaining to Muslim Community alone and are governed by the Shariat Law, so all these should be administered under the same Act and by the same department with minimum cost and maximum efficiency.

Therefore, in order to make the Bengal Wakf Act, 1934, all comprehensive it is proposed to amend it by additions and modifications.

SANAULLAH,
Member-in-charge.

NOTIFICATION.

No. 575L.A.—11th March 1944.—It is hereby notified for general information that at the meeting of the Bengal Legislative Assembly held on the 3rd March, 1944, a motion was carried that the Bengal Steamer Khalasis Bill, 1943, by Dr. Sanaullah, Member, Bengal Legislative Assembly, be circulated for the purpose of eliciting opinion thereon by the 31st July, 1944. Expressions of opinion by public bodies or by individuals interested in the said Bill, which is republished together with its Statement of Objects and Reasons in this Gazette, should be sent so as to reach the undersigned before that date.

K. ALI AFZAL,
Secy. to the Bengal Legis. Assembly.

THE BENGAL STEAMER KHALASIS BILL, 1943.

(As introduced in the Assembly on September 28, 1943.)

A
BILL

to make provisions for the betterment of the condition of steamer khalasis.

WHEREAS it is expedient to provide for better wages and service conditions for khalasis serving on board the steamers navigating in the province of Bengal;

It is hereby enacted as follows :—

1. (*1*) This Act may be called the Bengal Steamer Khalasi Act, 1943.

(*2*) It extends to the whole of Bengal.

(*3*) It shall come into force on such date as the Provincial Government may, by notification in the *Official Gazette*, appoint.

2. In this Act, unless there is anything repugnant in the subject or context—

(1) "Khalasi" means and includes the whole staff of the steamer save and except the drivers, serangs and masters and may be divided into following classes:—Tindal, Engine department khalasi, bhandari, mehtar, wheel sukani, oilman, lightman, fireman and manifest clerk.

(2) "Salary" means and includes what is paid to the employee by his employer for services rendered by him, payable monthly and as defined in General Clauses Act, 1897. Act X of 1897.

(3) "Steamer" means and includes steamships, steam launches, flats, barges, armboats, cargo boats and punsi boats plying in inland waterways.

(4) Duties of khalasi would not include the work of a cooly.

3. The minimum salary of the khalasi staff of the steamer shall be as follows:—Fireman, oilman, cassab, wheel sukani, each Rs. 27 per month, lightman, tindal, each Rs. 31 per month, coalman, bhandari, and other khalasis, each Rs. 20 per month and manifest clerk Rs. 33 per month, tally sukani Rs. 29 per month, deck cassab at Rs. 21 per month and wheel sukani Rs. 26 per month.

4. The entire staff of the steamers shall be directly under the control of the employer in-charge of management of the steamer service and they will be considered servants of the employer with all the privileges, gratuity and pension to which the other staffs are entitled under the rules on completion of 20 years service.

5. The khalasi staff of the steamers on their completion of one year's service would be entitled to 3 months' leave each and every year in the following terms, viz., one month's leave with full pay and another two months' leave without pay and on the termination of leave they will be allowed to join their old posts.

6. Each and every khalasi would be individually responsible for dereliction of his duties and if as a result thereof the employer suffers any loss, then and in such case the employee would be liable to pay the damages to the employer:

Provided that the said damages shall be deducted from his monthly pay by easy instalments.

7. The khalasi staff shall be entitled to free pass once every year for their inward and outward journeys.

8. In the event of any of employee in the khalasi staff being attacked with small-pox, cholera, or receiving any bodily injury in course of his duties then and in such a case he will be admitted in the hospital by the employer and would remain under his supervision. He will further be allowed sick leave with full pay for the period he remains in the hospital.

9. If any employee in the khalasi staff be permanently or partially disabled on account of injuries received by him while on duty, his claim shall be considered as a claim by the Commissioner under the Workmen's Compensation Act, 1923. Act VIII of 1923.

10. Any breach of the provisions of this Act shall be penalised by a fine of Rs. 500 on a complaint made to any 1st class Magistrate.

STATEMENT OF OBJECTS AND REASONS.

The Bill aims at—

(a) Recognition of the khalasis directly by the employer in charge of the management of the steamers navigating in the province of Bengal.

(b) Total abolition of the present anomalous practice of leaving the khalasis entirely at the mercy of the masters, serangs and drivers who taking full advantage of their ignorance and economic helplessness exploit them to the fullest possible extent.

(c) Fixation of the minimum salary of the khalasis at Rs. 20 per month in addition to usual leave and free pass, etc.

The Bill if enacted into law would appreciably solve the growing unemployment problem of the province as the steamer companies normally require a huge number of khalasis and would improve their standard of living.

(2) The District Health Officer or a Sanitary Inspector may require such owner or occupier to keep closed during such a period as shall be specified in the order any well, tank, pool or other sources of water-supply closed under paragraph *(1)* of this regulation.

Explanation.—In this regulation, "to close" includes the placing of chaukidars to prevent access to the well, tank, pool or other source of water-supply.

21. 24. Explanation.—In this regulation, "nuisance" means anything which in the opinion of the District Health Officer or Sanitary Inspector is likely to spread or to cause the outbreak of cholera.

26. Whenever the District Health Officer or a Sanitary Inspector is satisfied that the condition of any privy, urinal, drain, sewer or cess-pool is such as to cause risk of spreading cholera to the inhabitants of the neighbourhood he may order the occupier of the land in which such privy, urinal, drain, sewer or cesspool is situated to disinfect, or to allow an officer of the Board to disinfect, the same with such disinfectants in such quantities and at such time as the said officer or inspector shall think fit.

27. 29. The District Health Officer or a Sanitary Inspector may require the owner or occupier of any land to clear and remove, within the period specified in the order, any vegetation upon such land the existence of which in the opinion of the said officer or inspector conduces to the committing of nuisances upon such land.

30. The District Health Officer or a Sanitary Inspector may issue general orders that by a specified date certain sanitary precautions of a simple nature, such as lime-washing of houses, clearing of latrines or the removal of filth or rubbish shall be carried out to his satisfaction.

The District Health Officer or a Sanitary Inspector may through any person authorised by such officer or inspector in that behalf seize and dispose of any corpse, which in the opinion of the said officer or inspector, is infected with or is likely to spread cholera, unless the relatives or friends of the deceased person satisfy him that they are prepared and able to dispose of the corpse in a manner which will prevent the spread of cholera.

38. (*1*) The District Health Officer or a Sanitary Inspector may require any person who appears to be acquainted with facts in connection with any case of cholera or suspected cholera to attend before him at a time to be stated in the order and at any place not more than one mile from the place where such person resides or is staying when the order is issued, and such person shall appear as so required.

3. If any measure which the District Health Officer has, by a notice issued under regulation 20, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the District Health Officer shall be entitled to carry out the measure.

(2) The Board may recover all expenses incurred by the District Health Officer in carrying out the measure under regulation 3 from the person or persons to whom the notice was originally issued.

Calcutta, the 4th March 1944.

A. AHMAD, Personal Assistant,
for Director of Agriculture, Bengal.

AGRICULTURE DEPARTMENT BENGAL.

Calcutta, the 13th March 1944.

Second Forecast of the Spring Oilseed Crops, 1943-44.

(*Note*—On an average of five years ending 1941-42 the area under linseed in Bengal has represented some 3·8 per cent. and that of rape and mustard 12·2 per cent. of the total area under these crops in India.)

Character of the season.—Since the submission of the First Forecast in December last the weather and its effect on the growth of the crops were not quite favourable. Heavy showers in January have caused some damage in certain places. Damage due to insect-pests and drought has also been reported from a few districts. The present condition of the crop, on the whole, is fair.

Area sown.—Oilseeds are chiefly grown in Dacca, Rajshahi and Presidency Divisions. In the other two divisions the cultivation is not extensive. The total area under these crops (excepting *sesamum* for which separate forecasts are issued) is returned at 1,007,600 acres this year against 1,083,400 and 1,087,200 acres in the corresponding and final forecasts of last year respectively. The decrease in area is reported to be due to unfavourable weather condition at sowing time.

Outturn.—From the District Officers' estimates the average outturn of the different oilseed crops for the province works out at 73 per cent. of the normal against 74 and 78 per cent. reported respectively, in the corresponding and final forecasts of last year.

M. CARBERY,

Director of Agriculture, Bengal.

RESOLUTION.

New Delhi, the 1st March 1944.

No. TRA-I-1403/6.—Soon after the out-break of the war, the Government of India realised that the available supply of technical personnel would prove insufficient for the needs of the technical branches of the Defence Services, of Ordnance and munitions factories, and of private industry engaged on war production. A scheme for the intensive training of semi-skilled personnel was, therefore, inaugurated 3 years ago. Since then over 63,000 men have been trained of whom 52,000 have joined the technical branches of the Defence Services and 3,000 have gone into Ordnance factories. Civil industries have not, however, absorbed these trainees on any large scale and their expansion has probably been supported by recruitment from the ordinary market and/or by their own training schemes. Railways and Ship-building industries have also their own apprenticeship schemes. The Technical Training Scheme of the Government of India has demonstrated that, with intensive training semi-skilled men can be trained for all industries and the standard of such men, after from 6 to 8 months' training, is at least upto, if not above, the standard reached under ordinary peace-time apprenticeship schemes of two to three years duration. It is probable that if training imparted under the Technical Training Scheme is supplemented by further "biassed" training, the final product will be more acceptable to employers.

2. For some time past, the Government of India have had under their consideration the problem of adjusting the Technical Training Scheme to the war-time needs of civil industry, and have now decided to set up an Advisory Committee for this purpose. The function of this Committee will be to review the existing methods and syllabuses of training under the Technical Training Scheme and to advise how it should be adjusted to meet the present day needs of industry. It will also advise Government as to how Government trainees may be utilised for dilution and upgrading, so that skilled and highly skilled men can be released for more important jobs, which the less skilled workmen are unable to perform.

3. The Advisory Committee will be composed of four representatives of private engineering employers, one representative each of Ordnance factories, Railway Board and Ship-building Industry, and a senior Chairman of a National Service Labour Tribunal. The Chairman of the committee will be the Secretary to the Government of India, Department of Labour, and the Vice-Chairman will be the Director of Training, Department of Labour.

Order.—Ordered that the foregoing Resolution shall be published in the *Gazette of India* for general information.

DEPARTMENT OF AGRICULTURE, BENGAL

Calcutta, the 20th March 1944.

Second Forecast of the Wheat crop of Bengal, 1943-44.

(*Note.*—On an average of five years ending 1941-42, the area under wheat crop in Bengal has represented some 0·5 per cent. of the total area under wheat in India. The ratio of irrigated wheat acreage to total wheat acreage (*a*) in British India and (*b*) in the territory now reported on has, in the five years ending 1941-42, averaged (*a*) 47·5 and (*b*) 7·4, respectively.)

Character of the season.—Since the submission of the first forecast in January last the weather conditions have, on the whole, been favourable for the growth of the crop though some damages have been reported from certain places due to hailstorm and drought at sowing time.

Acreage.—According to the estimates of the District Officers the total area sown is 186,600 this year against 175,700 and 178,600 acres in the corresponding and final forecasts of last year.

Outturn.—The average provincial outturn as worked out from the district estimates is 77 per cent. against 78 and 90 per cent., respectively, in the corresponding and final forecasts of last year.

Public Health

NOTIFICATIONS.

No. 597P.H.—29th March 1944.—Rai S. N. Roy Bahadur, B.E., A.M.I.E. (Ind.), Executive Engineer, Eastern Division, Public Health, is temporarily appointed to act as Chief Engineer, Public Health, Bengal, with effect from 1st April 1944, until further order.

Mymensingh.—No. 595P.H.—29th March 1944.—Whereas the Governor is satisfied that the municipalities of Mymensingh, Muktagacha, Gouripur, Jamalpur, Sherpur, Kishoreganj, Bajitpur, Netrakona and Tangail in the district of Mymensingh are threatened with an outbreak of cholera:

Now, therefore, in exercise of the power conferred by section 2A, read with sub-section (*1*) of section 2 of the Epidemic Diseases Act, 1897 (Act III of 1897), the Governor is pleased to prescribe the following temporary regulations for the prevention and control of cholera, and for the medical inspection, isolation, observation and surveillance of persons suffering from, or suspected of being infected with, cholera in those municipalities, for a period of three months:—

Temporary regulations for the prevention and control of cholera.

1. In these regulations, unless there is anything repugnant in the subject or context:—

(*a*) "Health Officer" means the Health Officer of the municipality;

(*b*) "Sanitary Inspector" means a Sanitary Inspector appointed by the municipality;

(*c*) "suspected cholera" means any disease accompanied by vomiting and diarrhoea;

(*d*) "patient" means a person suffering from or suspected to be suffering from cholera;

(*e*) "medical practitioner" means any person practising the medical profession.

2. Whenever any land is held jointly by two or more persons, whether as owners or occupiers of that land, such persons shall be held jointly and severally liable for carrying out any measure ordered in a notice under these regulations, and the names of any one or more of such joint-holders may be entered upon such notice at the discretion of the Health Officer or a Sanitary Inspector and the Health Officer or a Sanitary Inspector shall not be bound to enter the names of all the joint-holders in the notice.

Notices.

3. If in any case the Health Officer or a Sanitary Inspector considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of cholera he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

4. If any measure which the Health Officer or a Sanitary Inspector has, by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the Health Officer or a Sanitary Inspector shall be entitled to carry out the measure.

Costs and compensation.

5. (*1*) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the municipality except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by that person:

Provided that where the conditions, which led the Health Officer or a Sanitary Inspector to pass such an order, are not attributable to any act or default of the persons in possession of the property, the municipality may pay to such person the whole or a part of expenses incurred by him in carrying out the order.

(2) The municipality may recover all expenses incurred by the Health Officer or a Sanitary Inspector in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.

6. The municipality shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations, if he has failed to carry out an order issued under these regulations within the time specified in the order and to the satisfaction of the Health Officer or a Sanitary Inspector.

8. (1) If information has not already been given under regulation 7, the medical practitioner called in to attend upon any case of cholera shall forthwith give notice of the case by special messenger to the Health Officer or a Sanitary Inspector and the cost of such messenger in each case shall be defrayed by the municipality.

(2) The doctor-in-charge of a hospital or a dispensary within the municipality shall forthwith give notice of any case of cholera brought to such hospital or dispensary for treatment to the Health Officer or a Sanitary Inspector by a special messenger and the cost of such messenger in each case shall be defrayed by the municipality.

9. Registrars of births and deaths shall supply to the Health Officer or a Sanitary Inspector such periodical returns of cases of cholera as he may from time to time call upon them to furnish.

He shall not direct the patient to be removed from the house unless it is in his opinion impossible to make proper arrangements for his isolation therein.

12. The Health Officer or a Sanitary Inspector may order that any person, who has in his opinion been exposed to infection from cholera, shall take such drugs in such quantities as may be specified by the Health Officer or a Sanitary Inspector or shall submit himself to anti-cholera inoculation within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 11 without the permission of the Health Officer or a Sanitary Inspector.

14. The municipality shall provide free of charge suitable places, with necessary attendants, medicine, diet and other necessaries for persons isolated under regulation 11: Provided that a private individual may provide places certified by the Health Officer or a Sanitary Inspector as being fit for the purpose of such isolation.

14A. If it is not possible for the municipal commissioners to provide suitable places with necessary attendants, diet and other necessaries for isolation of the patient or if satisfactory arrangement for such isolation is not also possible in the house where the patient is staying, the patient shall be sent, under proper sanitary precautions, to the hospital within or outside the nearest municipality where there is suitable arrangement for isolation.

15. No person, who is or has been suffering from cholera, shall leave the place where he has been staying until he has received from the Health Officer or a Sanitary Inspector written permission to do so.

16. The Health Officer or a Sanitary Inspector may require any person to allow to be carried out by such agency and within such time as may be specified in the order, such measures for the disinfection or evacuation of any premises in the occupation of such person or for the disinfection or destruction of any of his personal effects, as the said officer or inspector may consider necessary.

17. 18. The Health Officer or a Sanitary Inspector may forbid any person who has been a patient or who has, to his knowledge, been in contact with a patient, to act as vendor of any article for such period as may be specified in the order.

18A. No person shall carry or permit to be carried in a public conveyance a patient except in the case where a patient is carried with proper precautions to a hospital.

19. No person shall sell any article which has been in contact with a patient until it has been disinfected to the satisfaction of the Health Officer or a Sanitary Inspector.

19A. No person shall expose in any street, shop, bazar or any public place any clothing, bedding or other article which has been in contact with a patient or shall cause or suffer such articles to be carried in any public conveyance, but nothing in this regulation shall apply to a person who transmits with proper precautions against spreading the disease any such article for the purpose of having the same disinfected.

19B. No person shall carry or permit to be carried in a public conveyance the dead body of any person who has died of cholera without the previous written permission of the Health Officer or a Sanitary Inspector, and without taking proper precautions against spreading the said disease.

20. (1) When the Health Officer or a Sanitary Inspector is of opinion that the water in any well, tank, pool or other possible source of water-supply is contaminated or is likely to be contaminated, he may at once take such steps as he deems necessary to close such well, tank, pool or other source of water-supply, or may require the owner or occupier of land upon which such well, tank, pool or source of water-supply is situated, to take steps to close the same to the satisfaction of the Health Officer or the Sanitary Inspector, as the case may be, within such time as may be specified in the order.

(2) The Health Officer or a Sanitary Inspector may require such owner or occupier to keep closed during such a period as shall be specified in the order any well, tank, pool or other sources of water-supply closed under paragraph (*1*) of this regulation.

The Health Officer or a Sanitary Inspector may, by an order published at such places as he may think fit, set apart any well, tank, part of a river, stream or channel not being private property, or being private property with the consent of the owner, for the supply of water for drinking or culinary purposes and may prohibit therein or within a distance therefrom to be stated in the order all bathing, washing of clothes or animals, or other acts calculated to pollute the water; and may similarly set apart any well, tank, part of a river, stream or channel for the purpose of bathing or for the purpose of washing animals or clothes or for any other purpose connected with the health and cleanliness of the people using such water-supply.

24. 29. The Health Officer or a Sanitary Inspector may require the owner or occupier of any land to clear and remove, within the period specified in the order, any vegetation upon such land the existence of which in the opinion of the said officer or inspector conduces to the committing or nuisances upon such land.

(*b*) the Registrar, as well as the parties and their agents, shall endeavour to exclude from the record all documents (more particularly such as are merely formal) that are not relevant to the subject-matter of the Appeal, and, generally to reduce the bulk of the record as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of heading and other formal parts of documents but the documents omitted to be printed shall be enumerated in a typewritten list to be transmitted with the record.

10. Where the decision of the Appeal is likely to turn exclusively on a question of law, the appellant may, with the sanction of the Appellate Court, print such parts only of the record as may be necessary for the discussion of the same.

11. When the record has been made ready, the Registrar shall—

(1) give notice thereof to the parties;

13. After the despatch of the printed record to the Registrar of the Federal Court, the actual cost of and in connection with the same shall be ascertained and any balance remaining in the hands of the Registrar shall be refunded to the appellant.

16. Any appeal in which steps have not been taken within the time prescribed by these rules, or such extended time as may have been allowed, shall be placed on the list before the Appellate Court on notice to the appellant and the respondent for orders to report the default to the Federal Court.

17. For the purpose of the rules in this Chapter, the word "Registrar" includes the Deputy Registrar.

18. In these rules the words "appellant" and "respondent" shall mean and include their respective attornies on record, if any.

19. Where a reference as to valuation of the Suit and of the Appeal is made by the Federal Court to this Court the Registrar shall give notice to the parties of the date of the hearing thereof by the Appellate Court which shall either itself deal with the questions referred or refer them for report to the trial Court. The findings on the question of valuation referred by the Federal Court shall be drawn up as a report and filed and a copy thereof together with copies of the evidence produced at the hearing shall be forwarded by the Registrar to the Federal Court.

5. A number of candidates considered prima facie suitable will be called upon to appear before a Medical Board for a certificate of their fitness for Government Service in Form A of Schedule IV of the Bengal Provincial Services Recruitment Rules; an order to appear before the Medical Board must not, however, be understood to mean that the candidate, if found fit, will necessarily receive an appointment as the number of candidates who will be summoned for medical examination will be in excess of the total number of vacancies, and the question of his appointment will depend upon the results of the medical examination taken as a whole; intending candidates are advised before they apply for recruitment to the Service to satisfy themselves that they are likely to qualify as physically fit, for experience has shown that a considerable number of the candidates are rejected by the Medical Board as unfit.

6. The Commission will only acknowledge receipt of an application or reply to an enquiry about an application if a stamped envelope accompanies the enquiry or request for acknowledgment. PART IV B—Bills introduced in the Bengal Legislative Council; Reports of Select Committees presented or to be presented to that Council; and Bills published before introduction in that Council.

BENGAL LEGISLATIVE COUNCIL DEPARTMENT.

NOTIFICATION.

No. 440L.C.—27th March 1944.—In pursuance of the provisions of rule 51 of the Bengal Legislative Council Procedure Rules, the following Bill which was introduced in the Bengal Legislative Council on the 17th March 1944, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL ANTI-DOWRY BILL, 1944.

A

BILL

to abolish the receipt of dowry in connection with Hindu marriages.

WHEREAS it is expedient to abolish the practice of receiving dowry in connection with Hindu marriages;

It is hereby enacted as follows:—

Short title, extent and commencement.

1. (*1*) This Act may be called the Bengal Anti-Dowry Act, 1944.

(*2*) It extends to the whole of Bengal.

(*3*) It shall come into force on such date as the Provincial Government may, by notification in the *Official Gazette*, appoint.

Definitions.

2. In this Act, unless there is anything repugnant in the subject or context—

(*1*) "dowry" means anything in money or in kind,—

(*a*) paid by the father or guardian or any relative of a bride, or by any person on behalf of a bride, to a bridegroom or the father or guardian or any relative of a bridegroom, or

(*b*) paid by a bridegroom or the father or guardian or any relative of a bridegroom, or by any person on behalf of a bridegroom, to the father or guardian or any relative of a bride, or

(*c*) displayed before the gaze of the visitors and guests attending the marriage ceremony

in consideration of any marriage between Hindus, whether such payment is made before or during the solemnization of the marriage, but does not include any gift in money or in kind made voluntarily by and to any of the persons aforementioned after the solemnization of the marriage or in conformity with the absolutely necessary religious ceremony which forms part of the solemnization of the marriage;

(*2*) "marriage" means a contract for the union of a male person and a female person, and includes a ceremony for such union recognized by Hindu religion.

Prohibition of payment or receipt of dowry.

3. No person, being the father or guardian or relative of a bride, or on behalf of a bride, or being a bridegroom or the father or guardian or relative of a bridegroom, or on behalf of a bridegroom, shall receive a dowry.

The Bengal Anti-Dowry Bill, 1944.

(Clauses 4—6.)

Penalties. **4.** Whoever, in contravention of the provisions of section 3, receives a dowry, shall on conviction be punishable with simple imprisonment which may extend to one month, or with fine which may extend to one thousand rupees, or with both.

Procedure. **5.** (*1*) No Magistrate other than a Presidency Magistrate or a Magistrate of the first class shall try an offence punishable under section 4.

(*2*) An offence punishable under section 4 shall be non-cognizable, and shall be triable in accordance with the procedure provided in the Code of Criminal Procedure, 1898, for the trial of summons cases.

(*3*) No Magistrate shall take cognizance of an offence punishable under section 4 unless the complainant has deposited in the Government Treasury the sum of one hundred rupees, except in cases where the complainant is the actual party who paid the dowry or a *bona fide* social welfare Association.

(*4*) No Magistrate shall proceed to try an offence punishable under section 4 until the accused has been afforded an opportunity of showing cause before the Court against his prosecution.

(*5*) If, at any time after taking cognizance of an offence punishable under section 4, a Magistrate is satisfied that the complaint is false and either frivolous or vexatious, he shall, for reasons to be recorded by him in writing, direct that the whole of the sum deposited by the complainant under sub-section (*3*) be forfeited and may direct the complainant to pay to the accused such sum by way of compensation as the Magistrate thinks fit.

Appeal. **6.** Notwithstanding anything contained in any other law for the time being in force, an appeal shall lie respectively to the High Court or the Sessions Judge from any order made under section 5 by a Presidency Magistrate or a Magistrate of the first class.

STATEMENT OF OBJECTS AND REASONS.

The dowry or *pana* system in connection with a marriage agreement is really obnoxious and is a standing disgrace to a society in which it is prevalent. Not only *Snehalatas* are victims to this pernicious practice but many cultivator or artisan classes of Bengal are going to be extinct under the pressure of the all-levelling steel roller of *kannya pana* or bride-money; whatever these people lay by with their sweated labour they lose in contracting costly marriages from their point of view and often become burdened with mortgages and pledges which they can never redeem. All the brothers of a family in many cases cannot marry and if a wife is dead he cannot dream of a second marriage. Widow remarriages being still unknown utter ruin stares these classes in the face. This evil custom is on the other hand spreading its baneful effects on the society of our sister community of common origin, namely, the Muslim community of Bengal. The poor Muslim peasantry are constantly complaining that their society is also imitating this ruinous custom from their Hindu brothers. Like infectious epidemics of Bengal this pestilential custom is eating into the vitals of the society and is no respecter of persons, communities or classes. It requires a strong hand to put it down. When society loses its soul it requires a lashing of the severest nature to bring it round to its sense from the stupor and callousness of ages. I have the greatest respect for the opinion of those who think that social conscience should be roused by educating public opinion and bringing moral pressure thereon. But this also should be borne in mind that social legislation often helps such education wonderfully and beyond all expectations. Social propaganda and social education on the lines generally suggested by the social reformers and orthodox social workers should not be minimised and discouraged, but the dog-in-the-manger policy in social reforms must be once for all abandoned. The do-nothing fellows who want to burke all social legislations on the plea that reforms must come from within should now read the signs of the times that unless useful reforms are welcome in the social structure which has rusted, the waves of all devouring so-called socialistic ideas will sweep away many of their much beloved social customs of long-standing usefulness before it is too late to mend with the speed of an eastern typhoon. Has not the Sarda Act with all its faults helped to raise the marriageable age of a bride? Pernicious customs like the *sati* and the throwing of babies into the junction of the Ganges and the sea were stopped by legislation. Any how and at any cost this evil custom must be eradicated from the social life. Attacks may be launched from all possible manner and all possible sides. With this end in view and with the fervent hope that my brother legislators will dispassionately help to place this social welfare measure on the State Book at an early date, this Bill is introduced.

THE TRANSFER OF PROPERTY AND THE INDIAN REGISTRATION (BENGAL AMENDMENT) BILL, 1943.

A BILL

to amend the Transfer of Property Act, 1882, and the Indian Registration Act, 1908, in their application to the Province of Bengal.

WHEREAS it is expedient to amend the Transfer of Property Act, 1882, and the Indian Registration Act, 1908, in their application to the Province of Bengal for the purposes hereinafter appearing;

It is hereby enacted as follows:—

1. This Act may be called the Transfer of Property and the Indian Registration (Bengal Amendment) Act, 1943.

2. This Act shall apply to notices in respect of suits or proceedings which relate to immoveable property situated wholly or partly in the urban areas of Bengal with effect from such date as may be fixed by the Provincial Government in this behalf by a notification published in the *Calcutta Gazette.*

3. Section 52 of the Transfer of Property Act, 1882, shall be renumbered as sub-section (*1*) of section 52 of the said Act and—

(*i*) in sub-section (*1*) so renumbered, after the word "question", the words and figures "if a notice of the pendency of such suit or proceeding is registered under section 18 of the Indian Registration Act, 1908," and after the word "property" where it occurs for the second time the words "after the notice is so registered" shall be inserted; and

(*ii*) after the said sub-section (*1*) so renumbered, the following shall be inserted, namely:—

(*2*) Every notice of pendency of a suit or proceeding referred to in sub-section (*1*) shall contain the following particulars, namely:—

(*a*) the name and address of the owner of the immoveable property or other persons whose right to the immoveable property is in question;

(*b*) the description of the immoveable property, the right to which is in question;

(*c*) the Court in which the suit or proceeding is pending;

(*d*) the nature and title of the suit or proceeding; and

(*e*) the date on which the suit or proceeding was instituted.

4. In the Indian Registration Act, 1908—

(*1*) in section 18—

(*i*) the word "and" after clause (*e*) shall be deleted; and

(*ii*) after clause (*e*) the following shall be inserted, namely:—

"(*ee*) notices of pending suits or proceeding referred to in section 52 of the Transfer of Property Act, 1882; and"; and

(*2*) in section 28 for the brackets, letters and word "(*b*) and (*c*)", the brackets, letters and word "(*b*), (*c*) and (*ee*)" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

The purpose of this amending Bill is to add a provision for the registration of the notice of pending suits or proceedings under the Indian Registration Act, 1908, with necessary particulars of such suit or proceeding in order to enable the persons interested in the immoveable property in question to easily ascertain if any suit or proceeding is pending against such property.

No. 444L.C.—27th March 1944.—In pursuance of the provisions of rule 51 of the Bengal Legislative Council Procedure Rules, the following Bill which was introduced in the Bengal Legislative Council on the 17th March 1944, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL LAND-REVENUE SALES AND THE BENGAL TENANCY (AMENDMENT) BILL, 1944.

A BILL

further to amend the Bengal Land-revenue Sales Act, 1859, and the Bengal Tenancy Act, 1885.

WHEREAS it is expedient further to amend the Bengal Land-revenue Sales Act, 1859, and the Bengal Tenancy Act, 1885, for the purpose and in the manner hereinafter appearing ,

It is hereby enacted as follows :—

1. This Act may be called the Bengal Land-revenue Sales and the Bengal Tenancy (Amendment) Act, 1944.

2. In the fourth exception of section 37 of the Bengal Land-revenue Sales Act, 1859, after the words "leases of lands whereon dwelling houses" the words "of any nature and of any description" shall be inserted and in the 2nd line after the words "manufactories or" for the word "other" the word "any" shall be substituted.

3. In the first line of clause (c) of section 160 of the Bengal Tenancy Act, 1885, after the words "dwelling houses" the words "of any nature and of any description" shall be inserted and in the second line for the word "other" occurring before the word "permanent" the word "any" shall be substituted

---

STATEMENT OF OBJECTS AND REASONS.

In many cases the highest court of the provinces has decided that unless a dwelling house happens to be a *pucca* structure, the land on which it stands, cannot be protected under section 37 of the Bengal Land-revenue Sales Act, 1859, and section 160 of the Bengal Tenancy Act, 1885. It appears that the original intention of the Legislature was to give protection to dwelling houses by the abovementioned provisions in the said Act. Great hardship and sufferings are caused to persons who lose their dear dwelling houses if they do not happen to be permanent structure There is a great necessity of an amendment as proposed to give protection to dwelling houses

No. 446L.C.—27th March 1944.—In pursuance of the provisions of rule 51 of the Bengal Legislative Council Procedure Rules, the following Bill which was introduced in the Bengal Legislative Council on the 17th March 1944, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL PUBLIC DEMANDS RECOVERY (AMENDMENT) BILL, 1944.

A BILL

further to amend the Bengal Public Demands Recovery Act, 1913.

WHEREAS it is expedient further to amend the Bengal Public Demands Recovery Act, 1913, for the purposes and in the manner hereinafter appearing.

It is hereby enacted as follows :—

1. This Act may be called the Bengal Public Demands recovery (Amendment) Act, 1944.

2. For rule 9 of the rules under schedule II of the Bengal Public Demands Recovery Act, 1913, hereinafter to be called

the said rule and the said schedule, the following shall be substituted as rule 9 :—

"9. Notwithstanding anything hereinbefore and after contained, at the same time, the certificate officer shall also serve a copy of the notice by registered post in the name of the certificate debtor and in case their number be more than five in the name of at least first five certificate debtors. The cost of such notice shall be payable by the certificate debtor and if it is not paid in the period fixed for its payment, it shall be realised from the certificate debtor by any process authorised for realising an arrear of public demand."

3. In sub-rule *(2)* of rule 46 of the said rules in first line after the words "after notice" the words "by registered post" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

This simple amendment is proposed to provide for service of notices by registered post on the certificate debtor before their property is sold. Similar amendment has been affected in the Bengal Revenue Sale Act, 1859. Some times it so happens that the certificate debtor does not know about the filing of the certificate or sale of their property through defect in service of notice upon him or for non-service of any notice upon him owing to deceitful conduct of some unscrupulous certificate creditors. Hence there is every necessity of proposed amendment.

No. 448L.C.—27th March 1944.—In pursuance of the provisions of rule 51 of the Bengal Legislative Council Procedure Rules, the following Bill which was introduced in the Bengal Legislative Council on the 17th March 1944, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL AMUSEMENT HOUSE SMOKE NUISANCE PREVENTION BILL, 1943.

A

BILL

to prevent smoke nuisance in public amusement houses of Bengal.

WHEREAS it is expedient to prevent smoke nuisance in the auditorium of the public amusement houses of Bengal;

It is hereby enacted as follows :—

Short title.

1. *(1)* This Act may be called the Bengal Amusement House Smoke Nuisance Prevention Act, 1943.

(2) It extends to the whole of Bengal.

(3) It shall come into force on such date as the Provincial Government may by notification in the *Calcutta Gazette* appoint.

(4) It shall apply in the first instance to Calcutta as defined in clause *(11)* of section 3 of the Calcutta Municipal Act, 1923, to the suburbs of Calcutta as specified by notification under section 1 of the Calcutta Suburban Police Act, 1866, and to the Municipality of Howrah as constituted under the Bengal Municipal Act, 1932; and thereafter it shall apply to such other areas as the Provincial Government may specify by notification.

Definitions.

2. In this Act, unless there is anything repugnant in the subject or context—

(1) "Amusement house" means cinema, theatre or class thereof as the Provincial Government may by notification declare to be a house for public entertainment or amusement.

(2) "Auditorium" means seating accommodation such as orchestra, balcony, stalls, galleries, first, second, third or fourth class seats for audience or persons holding tickets or passes for the purpose of enjoying the performance in the amusement house.

(3) "Notification" means a notification published in the Official Gazette.

Prevention of smoke nuisance in amusement houses.

3. No person attending a theatrical, cinema or any such performance shall smoke *biris*, tobacco, cigars, cheroots, cigarettes or any other smoking stuff while in the auditorium of an amusement house.

Act where not applicable.

4. Nothing in this Act shall apply to—

(*1*) Places of private entertainment or amusement, amusement halls attached to residential hotels, clubs, boarding houses, railway clubs, military clubs, docks, wharves, airports and barracks.

(*2*) Lobbies or reserved places for smoking in a house for public entertainment or amusement.

Penalties

5. Whoever contravenes the provision of section 3 shall be punishable with fine which for a first offence may extend to Rs. 10 and for a second or any subsequent offence may extend to Rs. 50.

Who may complain.

6. Any person above 18 years of age may lodge a complaint with a Magistrate of competent authority about any violation of this Act.

Procedure

7. No Court inferior to a Magistrate of the second class shall try an offence punishable under this Act.

Indemnity

8. No suit, prosecution or legal proceeding whatever shall lie against any person in respect of anything done or intended to be done in good faith under this Act

STATEMENT OF OBJECTS AND REASONS.

Smoke nuisance of any sort or kind should be attacked by all means possible. The smoke nuisance in a cinema or theatre hall due to indiscriminate smoking of *biris*, cigars, tobacco, cheroots or cigarettes during the hours of performance can be easily controlled This Act will not only be a salutary measure of first class importance, but it will be something like preventing cruelty to Indian ladies and children who are not used to smoking by relieving their untold distress and discomfort while attending a performance in a suffocating and nauseating smoke-filled auditorium.

It will not inconvenience the smoking public in the least, as they have got lobbies and verandahs attached to the auditorium where they can satisfy their thirst for smoking during the interval between two halves of each and every performance—one half covering not more than an hour or so—or as often as they like.

This Bill is a very short one and, if enacted, it will bring on beneficial results—firstly, preventing aggravation of "Calcutta throats" and various chest ailments and, secondly, making the amusement house (now a place of distress and torture for many) a really cheerful and enjoyable place worth its name where one would long to stay a bit longer.

3. STATEMENT OF OBJECTS AND REASONS.

The Bill is intended to remedy certain defects and meet some difficulties in the working of the Factories Act, 1934, which are explained in the notes on clauses below.

B. R. AMBEDKAR.

NEW DELHI;

The 24th February, 1944.

NOTES ON CLAUSES.

Clause 2. Amendment to section 9.—The particulars which are at present required to be sent before commencement of work in a factory are not comprehensive enough. A suitable clause is therefore being added to sub-section (1) of section 9.

Clause 3. Amendment to section 19.—The washing facilities under sub-section (3) of section 19 are required to be provided only in places where workers come in contact with injurious or obnoxious substances. It is, however, desirable that washing facilities should be provided in all factories. The restrictive clause in the sub-section is therefore being deleted.

Clauses 3 and 4. Amendments to sections 22 and 23.—Under section 22 of the Act "precautions against fire" can be prescribed, and section 23 refers to orders which may be passed by Inspectors in the matter of "means of escape". In a recent judgment of the Bombay High Court it was held that rules to provide for "means of escape" were *ultra vires* in that they have reference to section 23 of the Act for the purpose of which such rules cannot be made. Rules have, however, been made by Provincial Governments in this matter, and it is considered that such rules are desirable. It is considered desirable that rules as hitherto made should exist. Sections 22 and 23 are accordingly being suitably amended.

Clause 5. Amendments to sections 45 and 54.—Under the provisions of sections 45 and 54, no woman or child shall be allowed to work in a factory except between the hours of 6 a.m. and 7 p.m., and the limiting hours can be varied by a Provincial Government to cover a span of 13 hours between 5 a.m. to 7-30 p.m. Practical difficulties have been felt in this respect in the western provinces. The required hours in many cases cannot be worked within the present allotted span unless work is started in the morning at an hour which is too early by the sun, and which is therefore inconvenient. It is therefore proposed to extend by an hour the evening limits in sections 45 and 54 from 7-30 p.m. to 8-30 p.m. The proposed amendment will have effect only for the duration of the war.

Secy. to the Govt. of India.

49. ————. শেষের পরিচয়—

Śeṣer Paricay. [The last revelation.]—An unfinished story of the author published serially in the "Bharatvarsha" and completed by Sm. Radharani Devi after his death. It is a tragic story of the mental suffering of a woman forced by circumstances to leave her husband and infant daughter for social reasons without uttering a word in her defence from a high sense of self-respect. Behind her apparent life of a mistress of a libertine she leads a perfectly chaste life, for ever cherishing solicitude for her family and hoping for a reconciliation. After her husband's change of fortune, she tries in many ways to help him and her daughter in their sad plight but all her attempts are resisted. She still tries for reconciliation in various ways, but her husband and daughter although they fully believe in her innocence, stubbornly refuse her help for social reasons. In the end, however, when the premature death of her daughter leaves her husband in a forlorn state, she takes charge of him, this time without any opposition. Published by the printer, Gurudas Chattaraj & Sons, 203-1-1, Cornwallis Street, Calcutta. (22-9-1942.) Pages 380. Double Crown 16mo. 2nd edition. Rs. 2-8-0. Copies 1,000.

Bengali—Politics.

115. Barendranath Chattarji—জনযুদ্ধের রূপ ও কৌশল—

Janayauddher Rūp O Kauśal [Form and tactics of the Peoples' war]—Reference is made to the grave dangers of the inactivity and passive mentality of a certain section of the educated people of India who are said to be awaiting the advent of the Japanese aggressors under the delusion that freedom of India cannot be achieved without foreign aid, while forgetting that the Japanese can never bring freedom to India and that their advent will only mean a change of master. This sort of self-diffidence is a serious thing and is injurious to a nation's tradition and independence as well. India is the home-land of the Indians whose duty it is to defend her and it is deprorable that they should display a spirit of indifference at this critical moment when international situation offers them the opportunity of attaining freedom of their country. The idea that India's weakness is due to her disarmed condition is refuted and it is pointed out that the real cause of her weakness is the absence of a spirit of resistance. Attention of the Indians is drawn to the importance of a people's army in this war in which victory is impossible without perfect co-ordination between regular armies and the people, as the present war is a total war and as such needs a total defence which is only possible if the entire people become awakened to the spirit of a national resistance and a firm self-confidence. Attention is also drawn to the techniques and tactics of the guerrilla force as demonstrated in China and Russia. Published by the author, Uttarpara, Hooghly. (20-6-1942.) Pages 32. Double Crown 16mo. 1st edition. Re. 0-2-6. Copies 1,000.

116. Bijan Ray—জাপানী-শাসনের আসল রূপ—

Jāpānī Sasaner Āsal Rūp [Real form of Japanese Government].—Attempts to disillusion a section of the people of Bengal who are believed to have a sympathy for Japan and to be labouring under the baseless idea that the Japanese will help the Indian to achieve freedom by reason of a curious logic that the Japanese are friends of the Indians, because they are enemies of the English who are enemies of the Indians. The change of the phase of the war from that of an imperialist war to that of a people's war require close examination of the Japanese intentions which are nothing but to find a market and if possible an empire also. Attention is drawn to the activities of Fascist Japan at aboard and at home particularly where a sham constitution exists to act as a machine in the hands of the rich, for keeping down all agitation of the people for uplift and reform by

force and also by subtle and ingenious methods. Published by Satyabrata Chattarji, on behalf of the Fascist-Birodhi Lekhak O Silpi Sangha, 249, Bowbazar, Street, Calcutta. [26-6-1942.] Pages 39. Double Crown 16mo. 1st edition. Re. 0-4-0. Copies 1,000.

Sabhyatā O Phyāsijam (Sahityikér Jabānbandi) [Civilization and Fascism (Literatteur's deposition)].—A pamphlet with the theme of showing that Fascism is antagonistic and pisonous to the present civilization in asmuch as it aims at destroying the modern civilization with all its culture and glorious achievements in different spheres and that it is the duty of every one who believes in the human culture and historical progress (of the society) to oppose Fascism. Presented in the form of a narration in author's own words, about the course of his experiences through different outstanding political movements leading to his present abhorence of Fascism. Published by Satyabrata Chattarjee on behalf of the Fascist-Berodhi Lekhak O Silpa-Sangha, 249D, Bowbazar Street, Calcutta. (20-6-1942.) Pages 13. Demy 8vo. 1st edition. Re. 0-2-0. Copies, 1000.

118. Pratibha Basu—ফ্যাশিজম ও নারী—

Phyāsijam O Nārī [Fascism and Woman].—Reviews in general the low position of Indian womanhood while condemning the humiliating treatment meted out to them in the society and referring to the noble pioneers of social reform who felt for the country's womenfolk and worked for their cause. Apprehension is expressed to the effect that even the faint movement for uplifting the position of Indian women, heralded in through western influence, has of late received a setback under the influx of Fascist ideas which have dealt a serious blow to the feminine cause. Reference made to the low and humiliating position of women in Japan, a Fascist ally, notwithstanding its vanity of all its progress and civilization. Also contains two appendices about the aims of the league of anti-fascist writers and artists and an appeal to writers to stand up against the inroads of Fascism which is regarded an inimical to native culture of this country. Published by Satyabrata Chattarjee on behalf of the Fascist-Birodhi Lekahak, O Silpi Sangha, 294D, Bowbazar Street, Calcutta. (20-7-1941.) Pages 13. Double Demy 16mo. 1st edition. Re. 0-2-0. 119. Sushilkumar Basu—এ যুদ্ধ আমাদের—

E-Yūddha Āmāder [This war is ours]—Points out that the present war has undergone a radical change in its nature and has become a people's war instead of continuing to be an inperialist war as it once was in the beginning. The present war is being fought in the interest of the entire humanity and as such Itally concerns Indians also who should not sit as idle and indifferent spectators in this world crisis which has offered them the possibility of independence. Attention is also drawn to the futility of the belief that Japanese will help the Indian to win independence, and to a proper ascertainment of the duties in this present war which is being fought for the liberation of suffering people all over the world and for the demolition of imperialism. Exhorts the people to offer resistance to the Fascist aggression acting unitedly with a firm will and staking everything in the struggle. Published by the author, 9-A, Ramanath Majumdar Street, Calcutta. 1942. (2-7-1942.) Pages 5+109. Dauble Crown 16mo. 1st edition. Re. 1-4-0. Copies 1,200.

124. Muhammad Muzaffar Husain—ইছলামে পার্থিব উন্নতি—

Ichlāme Pārthib-Unnati [The secular prosperity in Islam]—Purports to say that the human instincts are always inclined to worship the creator, the Lord of the universe and to be acquainted with that supreme being is the goal of life. To achieve that end, humankind should follow the way which He directed to do and a deviation from that path means the destruction of the self. That way is Islam the sole aim of which is the salvation of humankind in this world as well as in the next. This religion is the law of God and is superior to any other system invented by men in the political, social and economical administration of the people and it is the only system which can ensure internal peace and external security. Traces out the causes of the depressed conditions of the Muslim community in the modern age and condemns the blind immitation of the Materialistic system of western civilization. Also invites the humankind to accept the pure faith Islam and proves that both secular and spiritual progress are simultaneously possible in it. Published by the author, Raipura, Dacca. 1942. BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT.

NOTIFICATION.

No. 901L.A.—24th April 1944.—In pursuance of the provisions of rule 50 of the Bengal Legislative Assembly Procedure Rules, the following Bill which was introduced in the Bengal Legislative Assembly on the 3rd of March, 1944, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL ALIENATION OF AGRICULTURAL LAND BILL, 1944.

A BILL

to provide for the restoration of the agricultural lands to the tenants alienated by them during the year 1943 owing to the prevailing economic distress.

WHEREAS it is expedient to provide for the restoration of the agricultural lands to the tenants alienated by them during the year 1943 as a result of the prevailing economic distress.

It is hereby enacted as follows :—

1. (*1*) This Act may be called the Bengal Alienation of Agricultural Land Act, 1944.

(*2*) It extends to the whole of Bengal.

(*3*) It shall come into force on such date as the Provincial Government may by notification in the Official Gazette appoint on this behalf.

2. In this Act, unless there is anything repugnant in the subject or context :—

(*1*) "Collector" means the Collector of a district or any other officer appointed by the Provincial Government to discharge the functions of a Collector under this Act and includes the Deputy Collector of a subdivision empowered on this behalf,

(*2*) " prescribed " means prescribed by rules under this Act,

(*3*) " tenant " includes a *raiyat*, under-*raiyat* and a tenure-holder,

(*4*) " tenant ", " holding ", " improvement " and " complete usufructuary mortgage " have the same meanings as they have in the Bengal Tenancy Act, 1885.

3. The provisions of this Act shall have effect notwithstanding anything contained to the contrary in any other law for the time being in force.

4. If on or after the 1st January, 1943, and before the 1st January, 1944, a tenant has transferred any holding by sale or any consideration the actual amount or value of which that passed does not exceed 500 rupees in rural areas and one thousand rupees in urban areas and if,—

(*a*) he applies to the Collector within three years from the date on which this Act comes into force for the restoration of such holding to his ownership and possession ; as he could not have maintained himself or his family except by making such alienation of his holding ; and

(*b*) he deposits with the Collector the actual amount of such consideration or its value that passed together with interest on such amount at the rate of rupee one and annas nine *per centum per annum* from the date of his receipt of such consideration and the amount of any compensation for improvements effected to the holding allowed by the Collector and determined by him less the amount of the net income derived from such holding by the person in possession of the holding as a result of such alienation ;

the Collector shall make an order in writing restoring such holding to the ownership and possession of such tenant.

The Bengal Alienation of Agricultural Land Bill, 1944.

(Clauses 5—13.)

5. When the Collector makes an order under section 4 restoring any holding to the ownership and possession of a tenant such order shall have effect on the 1st *Baisakh* next following the date of the order and if before that date the person in possession of the holding has not yielded possession of the holding to such tenant the Collector may of his own motion and shall on the application of the tenant, eject such person and place such tenant in possession of the holding.

6. If the transferee of any holding in respect of which an order under section 4 has been made has not alienated his holding and is in possession thereof the amount deposited with the Collector under clause (c) of that section shall be paid to the transferee.

7. If the transferee of such holding has alienated the holding prior to the date of the order under section 4 the amount deposited with the Collector shall be paid—

(a) in the case of alienation by means of,—

(i) a *bona fide* transfer for valuable consideration,

(ii) a *bona fide* gift by a registered instrument or *heba*,

(iii) a usufructuary mortgage,

to the person in possession of the holding;

(b) in the case of alienation by means of a *bona fide* lease for valuable consideration to the transferee and the person in possession of the holding in such proportion as the Collector may deem fair and equitable.

8. Instead of applying under section 4 for the restoration of his holding a tenant may at his own option apply for the conversion of the transfer by the sale of his holding into a complete usufructuary mortgage and in such case the Collector shall make an order in writing converting the said transfer by sale into a complete usufructuary mortgage with the transferee or person in possession as mortgagee as for a period of ten years or such a shorter period as in the circumstances of the particular case is in the opinion of the Collector justified.

9. The period so determined by the Collector shall be commenced from the time when the property was possessed by the transferee at the very first instance and it would continue to the end of that period if the tenant to whom it would restore does not redeem the property by paying back the amount so determined due for that remaining period by calculation deducting the fair and equitable amount of income according to the prescribed manner for which the property was enjoyed otherwise the liability for the payment of such amount shall be deemed to be extinguished on the expiry of the said period.

10. If a tenant has not availed or cannot avail the opportunity of any section of this Act his case would be treated as a complete usufructuary mortgage for a period not exceeding ten years after which it would be treated as fully redeemed property and the liability shall be deemed to have been extinguished.

11. On the expiry of the period of the mortgage if the mortgagee does not yield possession of the mortgaged holding to the tenant the Collector may of his own motion and shall on application of the tenant, eject the mortgagee and place the tenant in possession of the holding.

12. Neither the High Court nor any civil court shall have jurisdiction in any matter which the Collector is empowered to dispose of under this Act.

13. The Provincial Government may make rules for carrying out the purposes of this Act.

STATEMENT OF OBJECTS AND REASONS.

The plight and misery of the teeming millions of the country owing to the horrible economic distress during the year 1943 knew no bounds. Innumerable people in severe distress being in want of food used to take *china*, *kaon*, *kalai*, *kachu*, *ghechu* and what not and have sold their hearth and home, almost everything moveable and not infrequently immoveable property that they had and most unfortunately some millions have taken shelter into the graves. However, the present Bill is intended to give a bit relief now to the tenants for the restoration of the agricultural lands a.enated by them during the year owing to such untold hardship.

(*2*) The allowances mentioned in clauses (*a*), (*b*) and (*c*) of sub-section (*1*) shall—

(*a*) in the case of a daughter or younger son of a deceased Nawab Bahadur be payable monthly commencing from the time when the deceased Nawab Bahadur ceased to be Nawab Bahadur of Murshidabad and shall continue to be payable until the said daughter or younger son, as the case may be, dies, and

(*b*) in the case of a son or daughter of a deceased younger son of any deceased Nawab Bahadur, be payable monthly commencing from the time of decease of the said younger son or the time when the deceased Nawab Bahadur ceased to be Nawab Bahadur of Murshidabad, whichever is later, and shall continue to be payable until the said son or daughter, as the case may be, of the said younger son dies.

Alienations, etc., of, or in anticipation of, allowances to be void and exemption of allowances from attachment.

4. (*1*) Notwithstanding anything contained in any other law for the time being in force all alienations (by sale, gift, assignment or other forms of transfer), agreements, securities or charges of any kind made or created by any person entitled to any allowance under sub-section (*1*) of section 3 in respect of the said allowance, whether or not such allowance has become payable at or before the date on which such alienations, agreements, securities or charges are made or created, shall be void and of no effect and the allowance shall be payable as if no such alienations, agreements, securities or charges have been made or created.

(*2*) No allowance payable under section 3 shall, whether it has become so payable or not, be liable to attachment under any process of any Court.

Amendment of section 7 of Act XXIII of 1933.

5. In sub-section (*1*) of section 7 of the Murshidabad Estate Administration Act, 1933— XXIII of 1933.

(*a*) after clause first, the following clause shall be inserted, namely :—

"*Secondly*, the allowances, if any, payable under section 3 of the Murshidabad Act, 1944"; and

(*b*) for the words "*secondly*", "*thirdly*" and "*fourthly*" the words "*thirdly*", "*fourthly*" and "*fifthly*" shall respectively be substituted.

STATEMENT OF OBJECTS AND REASONS.

Under section 5 of the Murshidabad Act, 1891, all property belonging to the Murshidabad Estate shall descend and be enjoyed for ever by the Nawab Bahadur of Murshidabad for the time being. The succession to the titles of the Nawab Bahadur of Murshidabad and Amir-ul-Omrah is governed by the custom of primogeniture. The daughters of the Nawab Bahadur and his younger sons have, therefore, no right to the Estate properties. It is considered necessary that there should be some provision for their maintenance to keep up the dignity of the family of the Nawab Bahadur after his demise. The Bill has been framed with this object in view.

BENGAL LEGISLATIVE COUNCIL DEPARTMENT.

NOTIFICATION.

No. 632L.C.—21st April, 1944.—The following report of the Select Committee on the Bengal Diseases of Animals Bill, 1944, by the Hon'ble Khan Bahadur Saiyed Muazzamuddin Hosain, M.L.C., with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

S. K. D. GUPTA,
Secy. to the Bengal Legis. Council.

REPORT OF THE SELECT COMMITTEE ON THE BENGAL DISEASES OF ANIMALS BILL, 1944

(as introduced in the Bengal Legislative Council by the Hon'ble Khan Bahadur Saiyed Muazzamuddin Hosain, M.L.C.).

We, the members of the Select Committee to which the Bengal Diseases of Animals Bill, 1944, was referred by a motion carried in the Council on the 23rd March, 1944, have the honour to submit this our Final Report with the Bill embodying amendments recommended by us. Matters recommended by us to be omitted have been printed in italics and enclosed in square brackets, and all new matters recommended by us to be inserted have been underlined.

2. The Committee met for the first time on the 3rd April, 1944, and concluded their sitting on the 4th April, 1944.

3. The Bill has not been altered by our recommendation to an extent requiring republication.

4. The Bill was published before introduction in the *Calcutta Gazette* of the 27th January, 1944, under rule 48 of the Bengal Legislative Council Procedure Rules.

5. The changes made by us are detailed below:—

Clause 2.—Sub-clause (1).—We have included "bullocks" and "dogs" in the definition of animals in order to bring these animals under the purview of the Bill.

Sub-clause (2).—We have excluded glanders and farcy as these diseases are covered by the Glanders and Farcy Act, 1899.

We have also excluded the disease called "surra" from the purview of the Bill as this is a disease of the horses which have been excluded from the present Bill.

Sub-clause (6).—We consider it desirable that the officers of the Bengal Civil Veterinary Department who may be authorised by the Government to carry on the duties of the Veterinary Assistants under this Act should in the opinion of the Provincial Government possess suitable qualifications in veterinary medicine and we have re-drafted this sub-clause accordingly.

Clause 3.—Sub-clause (1).—We consider it desirable that a Veterinary Practitioner should report the fact of an animal being infective not only when he comes to know of it in course of his veterinary practice but also when he has reasons to believe so otherwise and this sub-clause has been re-drafted accordingly. We have also made certain drafting changes.

We further think it desirable to provide in this sub-clause that any person other than the Veterinary Practitioner referred to above may also report the fact of an animal being infective, where he has reasons to believe so.

Sub-clause (4).—We think it necessary that a copy of the report received by the Veterinary Assistant under this sub-clause should be forwarded by him to the Subdivisional Magistrate of the area concerned.

Clause 4.—We have made slight drafting change.

Clause 6.—Sub-clause (1).—We have re-drafted this sub-clause to make it more explicit.

Sub-clause (2).—We consider it desirable that the carriage of any animal or thing referred to in sub-clause (*1*) through an infected area should also be allowed in cases where such animals and things are carried by any mechanically propelled vessel approved by the Government and the sub-clause has been amended accordingly.

Clause 7.—Sub-clause (1).—We have made slight drafting change.

Sub-clause (2).—We have omitted the provision of branding an animal as we think such a provision undesirable.

Clause 8.—Sub-clause (1).—We have made drafting changes and have also provided for the seizure of animals in those cases where the order under sub-clause (*1*) to the persons concerned are not complied with within a reasonable time.

Sub-clause (2).—We think it proper to provide that the agent of the owner of the animal seized under the proviso to sub-clause (*1*) may also apply for the return of such an animal.

We think it proper that the cost of isolation, segregation and treatment of the animal seized under the proviso to sub-clause (*1*) of clause 8, should be borne by the Government. The sub-clause has been amended accordingly.

Clauses 11, 14-16.—We have made some necessary drafting changes.

Clause 19.—We think it desirable that the arrests of persons under this clause should be made by the Police Officer on the request in writing of a Veterinary Assistant and the clause has been amended accordingly.

Clause 24.—Sub-clause (1).—We think it desirable that the rules should be made by the Government under this clause subject to the condition of previous publication and we have amended this sub-clause accordingly.

Sub-clause (2) (c).—We have made certain drafting changes.

New paragraph (cc).—We have added this new paragraph for the determination of the manner of marking animals under sub-clause (*2*) of clause 7 of the Bill. This is consequential to the change made in sub-clause (*2*) in clause 7.

Sub-clause (2) (e).—We have made slight drafting changes consequential to the change in sub-clause 8(*2*).

Note.—The signatures of the following members could not be obtained up to the time of printing the Report, namely:-

(1) Khan Bahadur M. Abdul Momin, C.I.E.,
(2) Mr. Haridas Majumdar,
(3) Mr. Sultanuddin Ahmed,
(4) Mr. Khorshed Alam Chowdhury, and
(5) Mr. Moazzemali Chowdhury.

Minute of Dissent by Mr. Lalit Chandra Das, M.L.C.

The provisions of the Glanders and Farcy Act, 1899, can be extended to apply to horses, camels, asses and mules in Bengal by a notification in the official Gazette. So, horses, camels, asses and mules were not brought within the purview of this Bill—The Bengal Diseases of Animals Bill, 1944. *Vide* Statement of Objects and Reasons of this Bill.

2. Section 20 of the abovementioned Act gives protection to persons empowered to act under it when their acts are done in good faith. Section 23 of this Bill follows that section and gives protection similarly.

3. The Glanders and Farcy Act, 1899, while giving protection to officers for acts done in good faith lays down in clear and emphatic terms by section 12 of that Act the liability to punishment of officers authorized to act under it when their acts are done unnecessarily and vexatiously. Curiously enough there is no such provision in this Bill although care was taken to enact section 23 which indemnifies officers for anything which is done in good faith. A provision similar to section 12 of the Glanders and Farcy Act, 1899, ought to find a place in this Bill or section 23 of this Bill should be omitted altogether.

4. Most villages in Bengal are often full of party strife and individual animosities. The provisions of this Bill may be used to satisfy a private or party grudge. At the same time, Veterinary Officers may also take advantage of this Bill when passed into Act and use it as an engine of oppression and as a means of unlawful gain. I suggest therefore, following the lines in section 12 of the Glanders and Farcy Act, 1899, that "whoever being a Veterinary Assistant or Practitioner or any officer of the Bengal Civil Veterinary Department duly authorized by the Provincial Government to carry on the duties of the Veterinary Assistant under this Act vexatiously and unnecessarily enters or searches any field, building, house or other place or seizes or detains any animals on the pretence that it is diseased or orders destruction of it; unnecessarily and vexatiously causes any other loss, injury, detriment or inconvenience or unnecessarily and vexatiously causes the carcass of any such animal to be exhumed shall be punished with imprisonment for a term which may extend to six months or with fine which may extend to Rs. 500 or with both:

Provided no prosecution shall be instituted after expiry of three months from the date on which the offence has been committed."

5. I am of opinion that section 19 of the Bill should be omitted. No power should be given to any Police Officer to arrest without warrant or without summons issued from any court.

6. Section 22 of the Bill is not only unnecessary but positively mischievous. No such bar of claim to compensation should be expressly laid down. Its retention would encourage evil acts under cover of good faith.

7. In sub-clause (2) of clause 6 of the Bill, so far as I remember, after the words "by rail" the words "or by steamer or any other mechanically propelled vessel approved by the Government" were inserted by the Select Committee. The words underlined should be there in the Bill.

Minute of dissent by Mr. Shrish Chandra Chakraverti, M.L.C.

I support Mr. Lalit Chandra Das's Note of Dissent and subject to same I have signed the Report of the Select Committee.

[Note.—All matters omitted by the Select Committee have been printed in italics and enclosed in square brackets, and all new matters inserted have been underlined.]

THE BENGAL DISEASES OF ANIMALS BILL, 1944.

A
BILL

WHEREAS it is expedient to provide for the prevention of the spread of contagious diseases amongst animals in Bengal;

(*2*) The President of the union board on receiving any report under sub-section (*1*) shall without delay communicate such report to the Subdivisional Magistrate who shall, unless for reasons to be recorded in writing he considers that the report is unfounded in fact, instruct the Veterinary Assistant to proceed to the place where the animal is for the time being kept and examine the animal and inquire into the circumstances of the case, and on receiving such instructions the Veterinary Assistant shall without delay comply therewith.

(*3*) Whenever a Veterinary Assistant has reason to believe that any animal within his jurisdiction is infective he shall proceed as soon as possible to the place where the animal is and examine it and inquire into the circumstances of the case, notwithstanding that no report under sub-section (*2*) in respect of such animal has been received by him.

The Bengal Diseases of Animals Bill, 1944.

(Clauses 4—7.)

(*4*) If after the examination and inquiry referred to in sub-section (*2*) or sub-section (*3*) the Veterinary Assistant is of the opinion that the animal is infective, he shall report the matter in the manner prescribed to the Provincial Government or to such officer of the Bengal Civil Veterinary Department as the Provincial Government may appoint in this behalf and the Veterinary Assistant shall also take such further action under the provisions of this Act as may be necessary or expedient and at the same time shall send a copy of such report to the Subdivisional Magistrate.

Duty to segregate infective animals.

4. Every owner or person in charge or having control of an animal who has reason to believe that such animal is infective shall as far as may be possible in the circumstances sergregate such animal in a place apart from all other animals which are not infective and shall take all possible steps to prevent any animal which is not infective from coming into contact with or approaching near to such animal.

Declaration of infected areas.

5. (*1*) The Provincial Government or such officer as it may authorise in this behalf may by notification published in the manner prescribed declare any area in which any contagious disease has broken out, or any area within which in the opinion of the Provincial Government, or such officer, there is a danger of the spread of any such disease, to be an infected area.

(*2*) Every notification under sub-section (*1*) shall specify the limits of the area which is declared to be an infected area and shall also specify the contagious disease in respect of which the area is declared to be an infected area.

Prohibition of movement of animals, etc., into or out of infected areas.

[**6.** *(1) Save in accordance with the conditions of a licence granted by a Veterinary Assistant no person shall remove any animal, alive or dead, or any product of any animal (including its excreta) or any part of any animal or any fodder, bedding, harness or other thing used in connection with an animal, and no person owning or having charge of any animal shall allow such animal to proceed from any place within an infected area to any place outside such area or from any place outside an infected area to any place within such area.*]

6. (*1*) Save in accordance with the conditions of a licence granted by Verterinery Assistant—

(*a*) no person shall remove any animal, alive or dead, or any product of any animal (including its excreta) or any part of any animal or any fodder, bedding, harness or other thing used in connection with an animal, and

(*b*) no person owning or having charge or control of any animal shall allow such animal to proceed,

from any place within an infected area to any place outside such area or from any place outside an infected area to any place within such area.

(*2*) Nothing in sub-section (*1*) shall prevent the carriage by railway or by any mechanically propelled vessel of a type approved by the Provincial Government of any animal or thing referred to in that sub-section through an infected area:

Provided that if such animal or thing at any stage during its carriage by railway or such vessel through an infected area is unloaded therein it shall not be removed therefrom save in accordance with the provisions of sub-section (*1*).

Preventive vaccination or inoculation in infected areas.

7. (*1*) In all cases in which preventive vaccination or inoculation is possible and practicable against the contagious disease in respect of which an area has been declared to be an infected area, the Veterinary Assistant shall vaccinate or inoculate, as the case may be, such kinds or classes of animals in that area as may be prescribed in respect of such disease and the owner or person in charge *[(if any)]* or having control of every such animal shall render every facility and assistance to him in carrying out such vaccination or inoculation.

(*2*) When a Veterinary Assistant vaccinates or inoculates any animal he may for the purpose of identification also *[brand or]* mark such animal in such manner as *[he may deem expedient]* may be prescribed.

The Bengal Diseases of Animals Bill, 1944.

(Clauses 8—12.)

Compulsory segregation and treatment of animals in infected areas.

8. (*1*) Where a Veterinary Assistant, after due examination of an animal and such enquiry into the circumstances of the case as may be necessary, is of the opinion that such animal is infective, he may by order in writing direct the owner or person in charge or having control of such animal,—

(*a*) to keep it where it is for the time being, or to remove it or allow it to be removed to such place of isolation or segregation as may be specified in the order;

(*b*) to subject it to such treatment as may be specified in the order;

and such owner or person in charge or having control of such animal shall comply with such order:

Provided that where there is no person in charge or having control of the animal and the owner is either unknown and cannot be ascertained without undue delay, or the order cannot be communicated to him without undue delay or the owner or person in charge or having control of the animal fails to comply with the order within such time as in the opinion of the Veterinary Assistant is reasonable, the Veterinary Assistant shall seize the animal and remove it to a place of isolation or segregation and may subject it to such treatment as may be necessary.

(*2*) If the owner of an animal seized under the proviso to sub-section (*1*) or his authorised agent applies in the prescribed manner for the return of such animal to his possession, the animal shall be so returned if such owner or his authorised agent pays any expenses, calculated in the prescribed manner, incurred for the *[isolation, segregation,]* upkeep *[and treatment]* of the animal up to the date of its release:

Provided that on the release of the animal the owner or his authorised agent, as the case may be, shall comply with any order which the Veterinary Assistant may see fit to issue under sub-section (*1*).

(*3*) If the owner of an animal seized under the proviso to sub-section (*1*) or his authorised agent does not apply for the release of the animal under sub-section (*2*) and the animal is, in the opinion of the Veterinary Assistant, no longer likely to infect any other animals with the contagious disease in respect of which it was seized, the Veterinary Assistant shall send the animal to the nearest cattle pound or deal with it in such other manner as may be prescribed.

(*4*) Notwithstanding anything in sub-sections (*1*), (*2*) and (*3*), if the Veterinary Assistant, after due examination of any animal, certifies in writing that such animal is affected with any of such contagious diseases as may be prescribed in this behalf, he may destroy the animal or deal with it in such other manner as may be prescribed.

Disinfection of buildings, etc., in infected areas.

9. Subject to such rules as may be prescribed, the Veterinary Assistant may by order in writing, require the owner, occupier or person in charge of any building, yard, vessel or vehicle in which an infective animal has been kept to have such building, yard, vehicle or vessel disinfected, and the internal fittings thereof and other things found therein to be disinfected or destroyed, in such manner and to such extent as may be specified in the order, and such owner, occupier or person in charge shall comply with such order.

10. No person shall organise, promote or hold in any infected area any animal market, animal fair, animal exhibition or other concentration of animals whether for the purpose of sport or trade, without the permission in writting of the Provincial Government or such officer as the Provincial Goverment may authorise in this behalf.

Power of Veterinary Assistant to subject infective animal to tests.

11. If the Veterinary Assistant suspects that any animal is infective he may subject it to such tests as may be prescribed and the owner or person in charge *[(if any)]* or having control of such animal shall render every facility and assistance to him in carrying out the tests.

12. Subject to such rules as may be prescribed the Veterinary Assistant may make or cause to be made a *post mortem* examination of any animal which at the time of its death was infective or suspected to have been then infective and for this purpose he may cause the carcass of any such animal to be exhumed.

The Bengal Diseases of Animals Bill, 1944.

(Clauses 13—18.)

Manner of burial or disposal of carcasses of infective animals.

(*2*) Except in the case of the exhumation of a carcass under section 12, no person shall disinter or otherwise remove the carcass of an animal buried in compliance with the provisions of sub-section (*1*).

Prohibition on bringing infective animals into any market, fair, etc.

14. Whoever brings or attempts to bring into any market, fair, exhibition or other concentration of animals, any animal which he knows or has reason to believe to be infective shall be punished with fine which may extend in the case of a first conviction to fifty rupees and in the case of a second or subsequent conviction to one hundred rupees.

Prohibition of sale or transfer of infective animals.

15. Whoever sells or attempts to sell or to transfer in any manner to another person any animal which he knows or has reason to believe to be infective shall be punished with fine which may extend in the case of a first conviction to one hundred rupees and in the case of a second or subsequent conviction to five hundred rupees.

Penalties.

16. (*1*) Whoever,—

(*a*) having reason[*s*] to believe that an animal is infective fails to give information as required by sub-section (*1*) of section 3, or

(*b*) fails to segregate any animal as required by section 4, or

(*c*) contravenes the provisions of section 6, or

(*i*) contravenes any of the provisions of section 13,

shall be punished with fine which may extend to fifty rupees.

(*2*) If any person having been convicted of an offence punishable under any of the clauses (*a*) to (*i*) of sub-section (*1*) is again guilty of any offence punishable under that clause or is guilty of any offence punishable under any of the remaining said clauses he shall be punished for every such subsequent offence with fine which may extend to one hundred rupees.

Power of Veterinary Assistant to enter and inspect land, etc.

(*2*) If such measures are not taken or such things are not done within the time specified in accordance with the provisions of sub-section (*1*), the authority issuing the requisition or order may cause the measures to be taken or the thing to be done and the cost thereof shall be recoverable from the person who was required to take such measures or to do such thing as if it were an arrear of land revenue.

The Bengal Diseases of Animals Bill, 1944.

(Clauses 19—24.)

Cognizance of offences.

20. No Court shall take cognizance of any offence under this Act except upon the complaint or report of a Veterinary Assistant.

Jurisdiction of Courts.

21. No Court inferior to that of a Presidency Magistrate or a Magistrate of the first class shall try an offence under this Act.

Bar of claim to compensation.

22. No person shall be entitled to any compensation in respect of the destruction of any animal or thing or of any other loss, injury, detriment or inconvenience caused him by reason of anything done under this Act in good faith.

23. No suit, prosecution or other legal proceedings shall lie against any servant of the Crown for anything which is in good faith done or intended to be done under this Act or any rule made thereunder.

Power to make rules.

24. (*1*) The Provincial Government may subject to the condition of previous publication make rules for carrying out the purposes of this Act.

(*2*) In particular and without prejudice to the generality of the foregoing power such rules may provide for,—

(*a*) the manner in which a report required in sub-section (*4*) of section 3 shall be made ;

(*b*) the manner in which a notification issued under sub-section (*1*) of section 5 may be published ;

(*c*) the kinds or classes of animals which shall be vaccinated or inoculated in respect of each contagious disease referred to in sub-section (*1*) of section 7 ;

(*cc*) the manner in which an animal may be marked under sub-section (*2*) of section 7 ;

(*d*) the manner in which an application under sub-section (*2*) of section 8 shall be made ;

(*e*) the manner in which *[any expenses]* the expense referred to in sub-section (*2*) of section 8 shall be calculated

(*f*) the manner in which an animal may be dealt with under sub-section (*3*) of section 8 ;

(*g*) the contagious diseases referred to in sub-section (*4*) of section 8 ;

(*h*) the rules subject to which a Veterinary Assistant may issue an order under section 9 ;

(*i*) the tests to which an animal may be subjected under section 11 ;

(*j*) the rules subject to which a *post mortem* examination of an animal may be made under section 12 ;

(*k*) the manner in which an animal may be buried under sub-section (*1*) of section 13 ;

(*l*) the rules subject to which a Veterinary Assistant may take action under section 17.

STATEMENT OF OBJECTS AND REASONS.

The high mortality among cattle in Bengal due to epidemic diseases is well known, but there is at present no statute in this province to control them. Action taken on a voluntary basis cannot be effective, as restriction on the movement of diseased cattle from one place to another, their segregation, and mass inoculation of healthy stock in affected areas are among the measures which must be taken to bring about a speedy control of the epidemic diseases. This Bill has accordingly been prepared vesting Government with powers to undertake the necessary control measures.

2. The Glanders and Farcy Act, 1899, already in force in this province applies to horses, camels, asses and mules. Under section 2(*1*) of that Act, its provisions can be extended to apply to these animals affected with any dangerous epidemic disease by a notification issued by the Provincial Government in the *Official Gazette*. It is not, therefore, considered necessary to extend the provisions of the present Bill to horses, camels, asses and mules.

Calcutta, the 15th April 1944.

Revised Forecast of the Rabi Crops of Bengal for 1943-44.

(*Note.*—On an average of the five years ending 1941-42, the area under summer rice in Bengal has represented some 0·6 per cent. of the total area under rice in India.)

Character of the season.—Sowings commenced under favourable conditions and the crops grew generally under favourable weather conditions excepting in certain areas where untimely rainfall, hailstorm, drought and insect-pests adversely affected the growth and caused a little damage.

Acreage.—The total area sown under different *rabi* (1) food crops and (2) non-food crops dealt with in this forecast estimated respectively at (1) 3,408,700 and (2) 706,900 acres this year against 3,472,700 (revised) and 716,200 acres respectively last year and against 3,033,300 and 708,300 acres respectively of the total estimated normal areas under the heads. The total food crops acreage this year shows a decrease by about 1·8 per cent. as compared with that of last year, although there has been an increase of about 8 per cent. under summer rice, the area being 517,800 acres this year against 479,800 (revised) last year. The area under tobacco this year is estimated at 300,200 acres against 303,900 last year.

Outturn.—According to District Officers' estimates, the average outturn of the different crops works out this year to 82 per cent. of the normal as against 85 per cent. last year.

Summer rice and tobacco crops.—The average outturn of the summer rice (*boro*) for the province works out to 94 per cent. of the normal against 91 (revised) per cent. last year. The gross yield of the crop on the basis of the normal yield of 13 3/5 maunds of clean rice per acre is estimated at 243,100 tons this year as against 218,100 (revised) tons last year.

The outturn of tobacco crops works out to 78 per cent. of the normal as against 82 per cent. of the last year. Taking 1,151 lbs. or 14 maunds as the normal yield of tobacco per acre, the gross yield for the province works out to 120,400 tons this year as against 128,200 tons last year.
